

CHANNEL ISLANDS BICYCLE CLUB CHAIN CHATTER

SEPTEMBER 2007

VOLUME 17

NUMBER NINE

The 2007 Cool Breeze Century

President Shari Nicolls and her grandson Chandler were propelled by **popsicle power** on the home stretch

scheduled to end at 5:00 p.m., but we were serving meals until almost 7 p.m.!

The chow line went on and on...

Thanks to our wonderful volunteers, this is by far the smoothest ride we have ever had. We had virtually no problems and only one broken finger (maybe -- or it could have been a bad strain). There was a broken collarbone, but it was not of one of our riders.

-- by Bart Bluel, Ride Chairman

The 2007 Cool Breeze Century was a great success. The weather was beautiful and a wonderful time was had by all. There were 1,849 riders registered, with 1,619 actually riding the course (Given previous years' statistics we estimate about 200 riders stayed away because of the fear of smoke -- which turned out to be a false fear).

We sold 1,453 tri-tip/chicken dinners. The ride was

Shari and Chandler at the finish

CIBC is a nonprofit recreational organization that provides enjoyable and recreational bicycle riding and related activities in and around Ventura County.

Monthly Meetings

General meetings are held on the third Wednesday of each month at Carrows (except December and January), at Seaward and Harbor in Ventura.

Program for the September 19th Meeting

7:00 PM at Carrows on Harbor Blvd.

Dick Bellman and his fellow riders will describe this year's CIBC **Credit Card Tour** from Bozeman, Montana through Yellowstone, Wyoming to Jackson Hole. Watch out for the bears!

Chain Chatter Newsletter

Our monthly newsletter, Chain Chatter, is distributed by email to members with email addresses, unless requested otherwise, and by mail to those without email. Your letters, stories of cycling experiences (good and bad), news items, ride ideas, tech info, etc., are welcome! Please mail or email information to:

John Mirk :: 1018 Sunset Place :: Ojai, California 93023
 john.mirk AT gmail DOT com*

Renewal Notices.

Please watch for your renewal notice, which are mailed to members annually.

*A Note Regarding E-Mail Addresses

In an effort to prevent spam email, email addresses in this newsletter are presented as [recipient] AT [website] DOT com.

Board Meeting Minutes – August 1, 2007

Meeting held at Peter Ball's house in Oak View. Attendees included: Carolee Winslow; Chuck Hamm; Bob Ingrum; Peter Ball; Ron Parker; Mike Chambliss.

Newsletter was folded and prepared for mailing. *If you want your Chain Chatter in bright, living color, give Carolee your e-mail address and receive it a week earlier than the black and white version coming in the mail.*

Meeting was called to order at 7:05 p.m.

Minutes of 6/6/2007 were read and approved.

Old Business

Bob Ingrum will contact Mike Stewart regarding the purchase of a laptop for the Club. At the June Board Meeting up to \$2,000 was approved to buy the laptop. Mike is determining requirements.

CORBA provided a receipt for the items donated to them from Mr. Roberson. Chuck will send receipt to Mr. Roberson and follow up with Jerry Boone for a receipt for the cash donated to the Boy Scout Troop.

Cool Breeze

Sold out on 7/13/2007 – 1,726 riders. 300 Pre-sold jerseys. Still need volunteers and volunteers need to be contacted about their assignments.

New Business

Carolee will be publishing the new Club Directory in September.

Encino Velodrome grant had previously been approved pending receipt of their 501-C status. Chuck has received the status and a copy is being held by the Club. Mike was authorized to pay the grant.

We received a letter from the Garrett Lemire Memorial Foundation thanking the club for our support and sponsorship of the 2007 Garrett Lemire Memorial Grand Prix Race.

The combined Holiday Party and Installation Dinner has been scheduled for **Sunday, 12/16, at the Marriott Courtyard.**

Approval was given to renew our membership in the League of American Bicyclists. The fee for our size of club is \$75. We will discuss making an additional donation after the Cool Breeze. Last year we donated \$2 for every Cool Breeze rider.

We received a request from a Ventura Chiropractor to become an official Club sponsor. He would provide discounts for services and host a monthly ride that started and finished at his office. After discussion it was decided that the Club did not benefit enough from sponsorship to offset expected issues. Bob Ingrum will send letter declining offer.

Membership currently stands at 324.

\$42,834 currently in our savings account.

\$2,800 in our checking account.

Board Membership!

It is time to step up and volunteer to be Board members. If you want your Club to continue to improve, we need your help. Please contact Shari Nicholls if you are willing to serve on the Board.

Meeting was adjourned at 8:07.

Respectfully submitted,

Robert Ingrum, Secretary

Welcome our New Members

Carolee Winslow, Membership Chair, announces our new members this month:

Dave Fink, Ventura

Anne and Jeff Riggin, Saugus

Eric Perich, Ventura

Tim & Laura Frost family, Ventura

Please look for all our new members at rides and meetings, and let them know you're glad they joined!

Moving?

If you move, or change your email address (especially if you are receiving the Chain Chatter by email), please notify Carolee Winslow so the directory will be up to date.

ROSTER UPDATE

We're updating the club roster. Please update any address, phone and email changes. Also, please add or update your ride preferences listed in the back of our last roster. It's our hope that this information helps you connect with more club members to ride with in addition to the weekly club rides. All changes should be given to Carolee Winslow, Membership prior to Sept 8th via email or phone message.

Save The Date! Our annual Holiday Party

On Sunday December 16th we will have a combined Holiday Party and Installation Dinner at the Marriott Courtyard in Oxnard. In previous years we have had a December party and a January dinner, but with the occasions getting bigger each year as our club grows this will give us an opportunity to get together and have a great evening (We tried to get a date other than a Sunday, but none was available). More details will be published in the October Chain Chatter.

Club Elections This November

At our General Meeting on Wednesday November 21st we will have our annual elections for the club's Board of Directors.

There are four positions where the incumbents have each served the maximum of two years and cannot serve for another year, and the positions are:

- **Treasurer** (Michael Chamblis);
- **VP Membership** (Carolee Winslow);
- **Grant Coordinator** (Chuck Hamm).

All of the other positions - see your Chain Chatter for a listing of the remaining six positions - are held by persons who have only served one year. Any of the four-time served Directors may serve in any other position, except for the one they currently hold, but all positions will be voted on so if you would like to serve on any position please let Shari know. All positions take office on January 1st 2008, and each of the current incumbents will have a written outline of their duties and responsibilities for anyone interested in that position.

Here is an opportunity for anyone who wants to help the club, to stand for any position that interests them, and be at the very centre of all the action!

This subject will be discussed at the September General Meeting.

Where's Tweety?

When last heard from, our illustrious president Shari Nicolls was touring the state in an old pickup truck. She will no doubt have much to share with us upon her return.

City of Ventura Bike Plan

The City of Ventura will host a series of mapping sessions similar to that done by the County a year or so ago, one which was at our club general meeting. The intent is to have cyclists put down on paper their favorite routes and ways that these routes could be improved and to in turn improve the city's master bike plan.

One such session will be **Thursday September 13 at the Grace Brethren Church** on MacMillan Street, just south of Main Street, Ventura, from **7 to 8:30 p.m.**

I encourage all cyclists who ride in the city of Ventura to help Ventura update its plan with really good information!

Also on **Sept 8**, the city is also putting on a film festival from **6 to 8:30 at the Bell Arts facility on Ventura Avenue** as part of the Ventura Bicycle Summit, an all day affair held in conjunction with VCCOOL.

P-B-P

Linda leads the peloton

with smiles on their faces. This was truly an epic adventure! Sore knees, blisters from wet shorts and wet socks and mechanical failures made it a bigger challenge than anticipated, but managing whatever comes along is what randoneurring is all about.

Linda, Greg and Lisa will relate their experiences in detail at the October CIBC Club Meeting (October 17th at Carrows in Ventura) but we thought you might enjoy these photos from the ride.

Greg and Lisa finished in 89h37, Linda finished at 90h27. Further details are available on the CIBC website – just click on the P-B-P jersey on the home page.

Congratulations for completing P-B-P!

Linda Bott and Greg and Lisa Jones (on tandem) completed the 2007 Paris-Brest - Paris ride this year. The conditions were said to be the worst in 55 years and there was a 30% dropout rate – so much that extra trains had to be added to get all the riders back to the start!

CIBC's PBP entrants all managed to survive and finish

Greg and Lisa round a scenic corner

Santa Clara Bridge Bike Path Opening

A new bike path across the Santa Clara River Bridge was officially opened on August 16th, 2007.

It was a nasty, smoky day but the bike path was wonderful, wide enough to really feel accommodated. Jim White, who ramrodded the project, had to push hard for this. The children led the way, breaking the bike banner. In front are my nephews and niece, first Joel, then Angel, then Brenda Mayorga. Just behind them is Shari's grandson, Chandler. Brenda just pulled off her training wheels a couple of days before this picture. This was a challenging downhill for her!

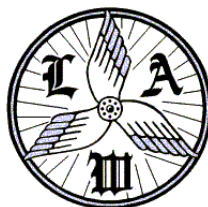

Other CIBC riders are Shari, Neal, Herb and me.

-- submitted by Lesley Ogden

L.A. Wheelmen: Grand Tour LITE

The Los Angeles Wheelmen Bicycle Club has opened registration for the **Grand Tour LITE**, on **Sunday, September 23**. This informal club century starts from Malibu and offers three options:

- **Metric Century** goes up Pacific Coast Hwy. to Port Hueneme for lunch near the beach, and returns by the same route on P.C.H.;
- **Full Century** takes the same route as the Metric to Port Hueneme, and adds a loop around the Ventura Oxnard area before returning via P.C.H.;
- **Double Metric Century** takes the high road, climbing Latigo Cyn., lunching in Moorpark, then heading for the beach with another food and rest stop in Port Hueneme before returning down P.C.H.

Registration is open on Active.com:
http://www.active.com/event_detail.cfm?event_id=1477313
 Or for more information and a printable registration form to be mailed:
<http://www.LAWheelmen.org>

Highway 101 Widening Project Needs Bicyclists' Input

Caltrans is beginning its planning of the Highway 101 widening project in the La Conchita area and is inviting public and organization comments. The construction project will widen Highway 101 from the present two lanes to three lanes in each direction from the end of the freeway near Mussel Shoals to Casitas Pass Road in Carpinteria, a total of six miles. The inner lanes will be designated as HOV (high occupancy vehicle) lanes (a.k.a. "diamond" lanes). The left turn passages across the freeway at La Conchita and Mussel Shoals will be closed (no way to cross the freeway).

Four members of CIBC attended the CalTrans scoping meeting Tuesday, August 28th at Carpinteria City Hall and spoke during the public comments period: **Kate Faulkner, Bartley Bleuel, Andrew Gustafson and Judith Gustafson**. There was a sizable turnout at the meeting, with significant representation from the Mussel Shoals and La Conchita communities, which will be losing their left turn lanes (La Conchita also wants a proposed pedestrian undercrossing for beach access). However, the surprise of the meeting was the LARGE representation and number of comments in support of bicycle access and safety issues from our club and also members of the Santa Barbara Bicycle Coalition (www.sbbike.org), **Wilson Hubbel** and **Ralph Fertig** (Ralph has put together a dramatic series of photos illustrating some of the conditions on this stretch of the 101. You can see the photos at <http://members.cox.net/sb-ralph/index.html>.)

Also present and commenting was **Jim Villega**, Goleta's city traffic engineer, who showed up in full cycling kit. Even a La Conchita resident spoke about bicycle safety, as he commutes to work by bicycle to his job in Carpinteria. CalTrans heard loud and clear that bicycle access and bicycle safety is a primary concern of the local communities, and we need to keep it up!

Based on inputs from the four CIBC members in attendance, the club's board of directors will discuss this at the Sept. 5th board meeting, and prepare an official letter of comments to CalTrans. The comments period will close September 13, and any club member who wishes to write comments about the highway widening should send them in before the deadline to:

Mr. Aziz Elattar, Office Chief
California Department of Transportation, District 7
Division of Environmental Planning, MS 16A
(SB/VEN 101 HOV Lane Project)
100 South Main Street
Los Angeles CA 90012

Issues for bicyclists would include:

- Keeping a good-quality bike lane open during construction

- The permanent bike lane design including:
- Addressing separation/delineation from highway travel lanes
- Addressing safe crossing of the La Conchita and Mussel Shoals merge lanes and Bates Road ramps
- Addressing separation/delineation from beach parking along southbound lane
- Addressing how the bike lane will transition from PCH to the freeway shoulder (northbound)
- Adding an "off ramp" for bikes on the southbound side to exit down to the Oil Piers undercrossing and/or the new La Conchita undercrossing
- Adding a small rumble strip north of La Conchita up to Bates Road exit, to guard against motorists drifting into the bike lane

The proposed project schedule is to have scoping comments from the public NOW (**due by September 13th** to Mr. Elattar), public review of their initial study and environmental assessment in Spring 2008, final environmental document in fall 2008, start construction in winter 2011, and complete construction by 2015.

Your letter does not have to be a literary masterpiece!

Let CalTrans know how important this cycling corridor is, and that their widening project is a prime opportunity to not only preserve access but to improve it. Many quality suggestions were made by cyclists at the meeting to get cycling access separated from the 80 mph traffic zooming past at our elbows.

Start to Finish MS Bike Tour

I just received a postcard from the National MS Society mentioning the **Southern California Start to Finish MS Bike Tour**. It is a one- or two-day event starting in Camarillo and ending at Leadbetter Beach in Santa Barbara the first day, then returning to Camarillo on the second day.

(According to the MS Society webpage "...This year's route will take you on an unforgettable journey beginning in Camarillo and traveling north through beautiful Ojai Valley. Day one will finish at Leadbetter Beach in breathtaking Santa Barbara, where riders will have the opportunity to celebrate with their friends and family at our annual festival that includes music, food and a beer garden. Day two will begin back on the beach and continue south along the ocean with spectacular views as riders return...")

There is a commitment to raise \$350 per rider. I am interested in doing the ride, but think it would be fun to put together a team. Is anyone else interested in this ride on 10/20 and 10/21?

-- submitted by Robert Ingram

About Our Club Rides

Club rides are held **every Saturday and Sunday** (and major holidays) starting at **8:30am** Nov.-Dec-Jan., (8am Feb.-Oct.). Riders meet in the parking lot at the back side of Mission Park between Santa Clara Street and Main Street in downtown Ventura. Rides are generally day tours in and around Ventura County. About once a month there is a "remote start" — check the ride schedule. There is also a "show and go" from Mission Park anytime there is a remote start or a holiday.

There is a good selection of the best short (20-35 miles), medium (35-50 miles) and long (50-100 miles) rides. Usually riders of all degrees of ability, from beginner to expert, are here for you to ride with. A sweep rider may accompany certain rides to assist new riders. All rides have shorter options. Rides beginning in Ventura can all be shortened to be an "A" or "B" ride (see key below ride listing).

"Easy Riders" Option

"Easy Riders" are those who want to travel at a pace of 10 to 12 miles per hour on a relatively flat route. Whether you're new to cycling or an old pro who likes a gentle pace—the Easy Rider rides are for you! At the Saturday ride starts each week, Easy Rider leaders will ask if anyone wants to do an Easy Ride. If so, a distance and pace are chosen according to participants' interests. Some may join Lennis's Group (see below) and some may ride with Michelle; others may decide to join the regular ride for some or all of it. Call Michelle at 488-6059 for more information on what to bring, what to expect, and where to meet up.

Lennis's Group

Every Saturday and Sunday morning, Lennis Dearing leads an "Easy Ride." All are welcome. Ride start is the same time as the regular club ride, but the start location may be different. Call Lennis at 671-5552 or 231-6427 in advance to find out what the ride will be.

Tuesday Bike Path Fun Ride

"A" ride. Every Tuesday at 5 pm a group rides from the intersection of San Jon and Harbor Boulevard in Ventura to Foster Park and back, a 16-mile round trip. **Great for families.** Lights are needed in the winter.

Maps and Route Slips

The monthly ride schedule is posted in detail on the club website, www.cibike.org, along with route slips and maps for most routes.

Bicycles and Equipment

Before you ride, check your bicycle and equipment, to prevent problems on the road. **ALWAYS** carry personal ID, water bottle with sufficient water, snacks, spare tube, pump, patch kit, a call phone, and/or coins for one phone call.

★★★ **HELMETS ARE REQUIRED** ★★★

THANK YOU!

The Channel Islands Bicycle Club and Kiwanis of Ventura would like to extend a huge THANK YOU to this great group of people and local businesses. Because of their generosity, the 13th Annual Cool Breeze Century was a huge success!

**ALBERTSONS
AVERYS OPEN AIR BICYCLES
CALIFORNIA STRAWBERRY FESTIVAL
CASITAS FIRE STATION
CED • CYCLE DYNAMICS
COMMUNITY MEMORIAL HOSPITAL
COURTYARD BY MARRIOTT OXNARD
E.J. HARRISON • LUCCHESI CATERING
MATILJA/PURE WATER • MID STATE BANK
THACHER SCHOOL • TREK BIKES OF VENTURA
VENTURA UNIFIED SCHOOL DISTRICT**

And a special THANK YOU to the 150+ volunteers from the Kiwanis of Ventura and the Channel Islands Bicycle Club. Without YOU this ride would not be possible.

"Build-Outs" in Carpinteria

You will probably have noticed that, right by the Post Office in Carpinteria, the kerbs, and the sidewalks on both sides of the road, have been built out into the street, effectively cutting off the current bike lane. This forces us, the bicycle riders, out into the vehicle traffic lanes.

On 8/14/07 I went to Carpinteria City Hall to enquire about this situation. The Public Works Director informed me that the job is not yet completed; that they are going to restripe the road, and reinstate the bike lanes. If you feel the need to talk to the PWD his name is Dale, and his number is 684-5405, extension 402. I was impressed with the speed with which he responded to my concerns, and it is interesting to note that Dale is a keen cyclist, himself! It's nice to have someone on our side, for once.....

So, let's give Carpinteria a little longer to complete the job, and let's also stay safe by the build-outs until the situation is remedied.

-- Peter Ball

CIBC Ride Schedule for September, 2007

Ride Start Times: meet at 7:45, clip in at 8:00 (unless otherwise noted)

Saturday, September 8th - "East Beach Ramble" - 54miles, B ride, rolling hills – One of the club's favorite rides into Carpinteria, Summerland, Montecito and then East Beach in on the Santa Barbara Coastline. Food is great at the East Beach Grill while watching beach volleyball, sailing, swimming and sunbathing. ****Remember, shorter routes are possible here with turnarounds in Carpinteria or Summerland.****

Sunday, September 9th - REMOTE START from Camarillo - "Citrus Groves Classic CW" - 47 miles, B ride, rolling hills. Starbucks Coffee in Camarillo is our starting point for the day. Drive on the 101 Freeway to Starbucks off Las Posas Road for a great ride into the beautiful east county. Bike up into the citrus groves of Somis, Moorpark and Camarillo. Then back to Starbuck's for food and drink. The "groves" are so much fun to ride – come join us today! Remember, this is the backwards ("clockwise") version of our normal route.

Saturday, September 15th - "Dennison Grade Loop CCW" - 43miles, C ride, a few big hills – Let's start at Mission Parking Lot in Ventura and ride into Saticoy, Santa Paula and then UP into the Ojai Valley with food either at Summit Cafe or Emporium Cafe. From there is all DOWNHILL into Ventura for a nice cool breeze. ****Shorter routes are always possible****

Sunday, September 16th - "Summerland Classic" – 43 miles, B ride, rolling hills – Start at the Mission Parking Lot for a ride into Summerland with food at the Summerland Beach Cafe. They have wonderful food with a special place for indoor seating. Enjoy the ride up the beautiful coastline. ****Shorter routes possible at the Firestation or Carpinteria****

Saturday, September 22nd- "Harbor Circle Tour CCW" - 43 miles, A ride, basically flat – Start at the Mission Parking Lot for biking to our beautiful harbors of Ventura, Channel Islands and Hueneme before heading into the Oxnard flats and on to Camarillo for food at Starbucks or Jamba Juice or Nosh's Bagels off Las Posas Road, then heading back into Ventura. This is a great route for those club members that really hate hills!

Sunday, September 23rd- (Club Yellow Jersey Day) - "Tour de Lake Casitas"- 26 miles, B ride, rolling hills. Our "Get Acquainted Ride" ventures up the Ventura River Trail along Santa Ana Road up to Lake Casitas for a short but beautiful ride today. Food at the Marina Cafe overlooking Lake Casitas. Sounds like a fun and beautiful trip. Do it!!! Wear your YELLOW CLUB JERSEY TODAY! ****Those wanting a longer route can head up Casitas Pass Summit and return to the lake for a food break.****

Saturday, September 29th- "Canyon 2 Canyon Classic" - 48 miles, B ride, rolling route – Start at the Mission Parking Lot for a very scenic ride along country roads of Foothill, Aliso and Wheeler Canyons with views of oak trees, orange trees, cows and mountains. Food stop at La Terraza Cafe or Santa Paula Coffee Company on the corners of Main & 10th streets in Santa Paula (GR8 breakfast burritos here!) then downhill back to Ventura. Remember, shorter routes can turnaround in Ventura or Saticoy or after the first canyon.

Sunday, September 30th- REMOTE START from PCH -"Latigo Canyon Climb" - 49 miles, C ride, one major climb – Drive to the Ray Miller Trailhead, located one mile south of Pt. Mugu Rock on PCH, on the left side of the road, just out of Oxnard. This ride heads south along our beautiful coastline and then heads up Latigo Canyon Road. The climb is worth the effort, just bring a camera for the wonderful views! Then it is all downhill through the Kanan Tunnels and back on wonderful PCH with all the cool beach breeze. Bring water and snacks. Food can be had at Trancas Beach and Neptunes Net all in Malibu.

Key to Ride List Abbreviations

MPL = Mission Parking Lot; **TOTC** = Thousand Oaks Transportation Center; **CW** = Clockwise; **CCW** = Counterclockwise.

Show your colors = Wear your yellow club jersey today!

"A" = Relatively flat ; **"B"** = Some climbing; **"C"** = Ride with significant climbs; **"D"** = Ride with major climbs and passes.

A Letter from Brad Thom

Friends at CIBC,

Thank you for the riding companionship you've offered these past six months. When I Googled "cycling Ventura County" from Minnesota seven months ago I could never have envisioned the joy I've had riding Saturday and Sunday mornings with you along the coast and through these coastal mountains. The rides have been a real highlight to my rapid past six months in your playground. My time here has drawn to a close and when this is published I'll be in Iraq performing the next portion of my mobilization with the Navy Seabees.

Recently I have missed a couple of weekends of riding due to returning to Minnesota for my father's illness and death. While those were critically important family times fellow riders also know the gap I felt missing my Saturday/Sunday riding friends and all that that means. The rides have been awesome and the friendships have been even better. I look forward to a couple of rides in March before returning to Minnesota.

I'll be thinking of you CIBC folks while in Fallujah sitting on a stationary bike and avoiding the treachery of the local roads.

Warmest regards,

*Brad Thom, Chaplain
