

## Tutorial on navigating essential features of the updated CIBike site

This tutorial is intended to help you navigate and access essential features of the [CIBike](#) site following the recent initial upgrade phase. As mentioned in a previous email, the final phase will take place later this year, at which point [Weebly](#) will be entirely phased out.

On a PC, the club site “Home page” appears as the following:

The screenshot shows the top navigation bar with a "RETURN TO HOME PAGE" button and links for "Rides", "Activities", "Cool Breeze", "About Us", "Join", and "Member Portal". Below the navigation bar is a large banner featuring the club's logo on the left and the following text on the right: "Channel Islands Bicycle Club", "Ventura County, California since 1990", "One of the best clubs in the country", and a quote from Jim Sayer, Adventure Cycling's Executive Director (retired).

Click “Rides” to see **Ride & Events Calendar**:

The screenshot shows the "Ride & Events Calendar" interface. It features a title "Ride & Events Calendar" with a subtitle "(click on a ride for details)". Below the title is a navigation bar with "Today", navigation arrows, "April 2026", a calendar icon, and a "Month" dropdown. The main content area is a calendar grid for April 2026, showing events for each day of the week:

Below the navigation bar is a section titled "Upcoming Events" with the following text: "Year Rounder Century Rides (Metric & American)", "09 May 2026 7:00 AM | Museum of Ventura County parking lot".

Click **CIBIKE HOME** to return to the **Home page**.
